

# **NEW DEFINITIONS**

**By Skye Bailey**

**New definitions  
I'm changing some words  
I'm angry right now  
So my vision is blurred**

**New definition  
Evil now means blessed  
Hope your day is real evil  
And filled with the best**

**No! No it doesn't sound right  
No! Please switch it right back  
No! No it doesn't sound right  
Evil is evil, Just stick to the facts**

**New definition  
Cancer now means success  
I wish you lots of cancer  
And a fatal address**

**What is my goal  
What is my dream  
Money and cancer  
My two favorite things**

**New definition  
Cancer now means success  
I wish you lots of cancer  
And a fatal address**

**What is my goal  
What is my dream  
Money and cancer  
My two favorite things**

**No! No it doesn't sound right  
No! Please switch it right back  
No! No it doesn't sound right  
Cancer is cancer, Just stick to the facts**

**New definition  
The N word means friend  
It depends on how you say it  
Can't we all just pretend**

**Drop the "er"  
And just add an "a"  
It's a friendlier word  
So why the debate**

**New definition  
The N word means friend  
It depends on how you say it  
Can't we all just pretend**

**Drop the "er"  
And just add an "a"  
It's a friendlier word  
So why the debate**

**No! No it doesn't sound right  
No! Please switch it right back  
No! No it doesn't sound right  
The N word is evil, Just stick to the facts**

**Stop using the N word  
Don't change the definition  
Stop using the N word  
And change the condition**

**Stop using the N word  
Don't change the definition  
Stop using the N word  
And change the condition**

**Stop using the N word  
Don't change the definition  
Stop using the N word  
And change the condition**

**Stop using the N word  
Don't change the definition  
Stop using the N word  
And change the condition**

**You said he's a robber  
But the spelling is wrong  
It's robba with an "a"  
But your stuff is still gone**

**At the door knocks the killer  
Let the spelling begin  
It's killa with an "a"  
Now it's safe to be friends**

**No! No it doesn't sound right  
No!, it's just all the same  
No! No it doesn't sound right  
Switch all the letters,  
But the pain still remains**

**New definition  
The N word means friend  
It depends on how you say it  
Can't we all just pretend**

**Drop the “er”  
And just add an “a”  
It’s a friendlier word  
So why the debate**

**The books, the movies,  
They all show the past  
So why the embrace  
To make this word last**

**The slave ships are gone  
But the N-Word’s still here  
A reminder of the evil  
Dominion and fear**

**The mother was sold  
While her baby cried  
Shackled and beaten  
before she died**

**Killed by hate  
No one said their names  
Just another N-word  
‘cause they’re all just the same**

**My brotha, fist in the air  
My sistah, let em know you care  
My brotha, gotta show respect  
My sistah, put this word to rest**

**My brotha, fist in the air  
My sistah, let em know you care  
My brotha, gotta show respect  
My sistah, put this word to rest**

**New definition  
We will now hit delete  
The N word is gone  
We will never repeat**

**Never say it again  
Please stop it today  
Let the whole world know  
It's never okay**

**My brotha, fist in the air  
My sistah, let em know you care  
My brotha, gotta show respect  
My sistah, put this word to rest**

**New definition  
We will now hit delete  
The N word is gone  
We will never repeat**

**Never say it again  
Please stop it today  
Let the whole world know  
It's never okay**

**Never say it again  
Please stop it today  
Let the whole world know  
It's never okay**

**New definition  
Insert an empty space  
No description required  
The words been erased
