

PASS THE M.I.C. - "The Others"

www.speedraceing.com/blog/pass-the-mic-the-others

GOOD MORNING EVERYONE,

Last week, in a span of almost 24 hours, I heard the word "Others" mentioned 3 times. The first time...during a "Between The World and Me by Ta-Nehisi Coates" Book Club. Second time...[TEDx Talk with Andy Shallah](#). Third time...reading that the Latin expression "Et Cetera" means "and the others". Coincidence? I think not! The mission...How do I get everyone to connect with "The Others"? How do I get everyone to **actively** make a plan? Idea? Create a Unity Image and a Unity Calendar! Done! You can view both in the "Inspiration" section. **MIX IT UP EVERYONE!!**
